Mr. A. R. Perry,

Dear Sir:

Enclosed please find two pine tree shillings, the best we have in stock, and also an Alexander the Great tetradrachm. Our stock changes so constantly that we do not issue a catalogue of it but if you will advise us what coins you desire to purchase we will be very glad to send you a package on approval.

Pine tree shillings have been increasing in price very largely lately and the demand is greater than the supply.

Respectfully

S. H. Chapman
